Limited Review Report

"We have reviewed the accompanying statement of Unaudited Financial Results of **TTI Enterprise Limited** for the quarter ended **30th June, 2015**. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors.

A review of interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such opinion.

Based on our review as conducted above, nothing has come our notice that causes us to believe that the accompanying statement of unaudited financial results has not been prepared in accordance with Accounting Standards and other recognized accounting practices and policies and has not disclosed the information required to be disclosed in terms of clause 41 of the listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.
