ANNEXURE-C TO THE DIRECTORS' REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

In this Management Discussion and Analysis Report, your directors present a comprehensive overview of the company's performance, achievements and prospects for the financial year ended on 31st March, 2024. This report aims to provide stakeholders with insights into the company's operations, key financial metrics, risk management, opportunities, threats and future outlook.

OUTLOOK

The outlook for the Indian economy in the financial year 2024 is cautiously optimistic, with several key factors shaping its trajectory. After experiencing a rebound from the pandemic-induced downturn, the economy entered a phase of steady growth in the previous years, and this momentum is expected to continue.

One of the primary drivers of India's economic growth is likely to be the revival of domestic demand. As vaccination campaigns gained traction, consumer confidence improved, leading to increased spending on goods and services. The pent-up demand from the pandemic period further fueled this consumption surge. Additionally, the rural economy is expected to play a crucial role as agriculture, and allied sectors have shown resilience during challenging times.

Moreover, the government's focus on infrastructure development is set to boost economic activities. Projects related to roads, railways, airports, and other key sectors are likely to attract investment and generate employment opportunities, providing an impetus to the economy. The government's commitment to reforms and ease of doing business is likely to attract both domestic and foreign investments, further driving economic growth.

However, challenges persist that require careful attention. Inflationary pressures may continue to pose a threat, affecting consumer purchasing power and overall economic stability. The government and the central bank would need to strike a balance between controlling inflation and supporting economic expansion. Geopolitical uncertainties and global economic conditions could also impact India's trade and investment landscape.

Another crucial aspect is the emphasis on technology and innovation. Embracing digitalization and fostering a startup-friendly ecosystem can contribute

significantly to economic growth and job creation. By leveraging its demographic dividend and a growing tech-savvy population, India can accelerate its transformation into a digital economy.

Furthermore, sustainability and environmental concerns are increasingly gaining prominence. Initiatives promoting green technologies, renewable energy, and responsible manufacturing practices are likely to gain momentum, providing opportunities for sustainable growth and attracting investments in green sectors.

Overall, while challenges persist, India's economic outlook for the financial year 2024 remains positive. A combination of proactive policies, robust domestic demand, infrastructure investments, and technological advancements can pave the way for sustained and inclusive growth, making India one of the world's fastest-growing major economies.

OPPORTUNITY

NBFCs (Non-Banking Financial Companies) have a plethora of opportunities in the financial sector. One of the key advantages of being an NBFC is the ability to cater to specific market segments and offer a diverse range of financial services without the regulatory constraints faced by traditional banks. Some prominent opportunities include venturing into niche financial services, such as micro finance for underserved communities or specialized lending for particular industries.

Consumer finance presents a significant opportunity, driven by the rising middle class and increasing demand for personal loans, credit cards, and other consumer credit products. Additionally, there's immense potential in rural and agricultural finance, supporting rural development and reaching unbacked populations.

Opportunities for NBFCs lie in niche financial services, consumer finance, rural and agricultural finance, digital transformation, and fintech partnerships. They can capitalize on the growing demand for housing finance and MSME lending, while also exploring trade finance and infrastructure financing. Embracing green finance and offering credit rating and analytics services can further diversify their portfolio. Leveraging digital technologies to enhance customer experience will be crucial in gaining a competitive edge. By staying innovative, NBFCs can tap into underserved markets and meet the evolving financial needs of businesses and individuals.

3. Regulatory and compliance related changes in the sector affecting NBFC.
4. Sudden change in funding challenges in the availability or cost of funding can impact the liquidity and operations.

5. Challenges in loan recovery, increased default rates and reduced demand for their financial products and services during the economic downturn.
6. A successful cyber-attack can compromise sensitive customer information, disrupt operations and lead to financial losses.

RISKS AND CONCERNS

As with any financial institution, the company faces certain risks that could impact its performance. Some of the risks are as follows:

1. Credit risk – the potential for borrowers to default on their obligations due to economic downturns or unexpected events.

3. Interest rate risks – Vulnerability to fluctuations in interest rates that may affect borrowing costs and interest income.
4. Regulatory risk – Adapting to changes in regulatory policies and compliance requirements.

**Independent Auditor's Report on the Audit
of Standalone Financial Results**

To
The Board of Directors of
TTI ENTERPRISE LIMITED

Report on the audit of the Standalone Financial Results

Opinion

We have audited the accompanying standalone quarterly financial results of TTI ENTERPRISE LIMITED (hereinafter referred to as 'the company') for the quarter ended 31st March 2024 and the year to date results for the period from 01st April 2023 to 31st March 2024, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net profit/loss and other comprehensive income and other financial information for the quarter ended 31st March 2024 as well as the year to date results for the period from 01st April 2023 to 31st March 2024.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have

fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Standalone Financial Results

These quarterly financial results as well as the year to date standalone financial results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results

represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The standalone financial results include the results for the quarter ended 31st March 2024 being the balancing figures between the audited figures in respect of the full financial year and the limited reviewed figures published up to the end of the third quarter of the current financial year. The figures up to the end of the third quarter had only been reviewed and not subjected to audit.
